#### **Improving facilities for students**

Students at Redeemer Lutheran College in Biloela will benefit from new classrooms, music practice rooms, and a covered entry and verandah thanks to a Federal Government grant.

Member for Flynn Ken O'Dowd today announced the Australian Government would provide \$490,000 towards the project at Redeemer Lutheran College through the Capital Grants Program.

“Students and teachers thrive when their schools have modern and up-to-date facilities – that’s why the Federal Government is proud of the Capital Grants Program, which has benefited thousands of schools across the nation,” Mr O’Dowd said.

“The Government has committed \$660 million until 2021, which provides funding for non-government schools to improve capital infrastructure.

“These upgrades will help advance Redeemer Lutheran College and ensure our classrooms have modern facilities.

“I congratulate Redeemer Lutheran College for their successful grant and look forward to seeing the impact these improvements will have in our community.”
